# WELLBEING OF EMPLOYEES

---

Our main focus today – and every day – is the safety and well-being of our staff and customers.

We continue to take proactive actions to ensure that we are supporting and protecting our employees and the larger community, while also acknowledging our critical role as a service provider. Those who work in our locations may rest assured that they will have a consistent and safe working environment throughout these unpredictably difficult times.

We encourage staff to adopt best practices recommended by health authorities, such as frequent hand washing and staying at home if they are sick. We've also taken additional steps to ensure that groups practice increased social distancing efforts while working, such as limiting the number of employees at a location or within vehicles, avoiding large employee gatherings, and encouraging employees to maintain distance from others whenever possible.

# TRIPOLIS IN THE COMMUNITY

Tripolis Company, in collaboration with a number of charitable organizations (Aged Care Association, Orphan Care Association, Special Needs Association), works to be responsible and give back to the communities in which we operate. These philanthropic organizations strive to achieve the following objectives:

Throughout Libya, promote public education in all learning subjects, including agriculture, medicine, crafts, commerce, and liberal arts.

Promote public health by providing health care to those individuals throughout Libya who, according to their circumstances, require it.

Providing health care and relief training and various activities.

Providing some financial assistance for marriage or satisfying marriage needs, and thus we have discussed the function of charities in assisting the poor

**These groups are completely operational in Libya, aiding the poor, particularly the elderly, people with disabilities, and children.**
